

EZ MOUNTAIN RUSTIC FURNITURE

Care Guide

Cleaning & Care

- Wipe up liquids as soon as possible.
- Never use harsh chemicals such as bleach or ammonia.
- Use a damp rag with dish soap for basic cleaning.
- Use Heirloom Essentials Spotless Furniture Cleaner for stubborn messes.
- Do not place hot objects directly on the surface. Always use a trivet or hot pad.
- Do not use Pledge or other polishing agents which contain Silicone Oil, instead use Heirloom Essentials Furniture Polish.

Slab & Epoxy Furniture Cleaning & Care

Our Slab products come standard with a hardwax-oil finish from Osmo. Small cracks and imperfections are not considered defects in slab products.

- Wipe up liquids as soon as possible.
- Never use harsh chemicals such as bleach or ammonia.
- Use a damp rag with Dr. Bronner's Castile Soap for cleaning
- Do not place hot objects directly on the surface. Always use a trivet or hot pad.
- Osmo Liquid Wax Cleaner or Maintenance Oil is recommended to revive the finish.

To avoid cracks on tabletops we recommend maintaining consistent temperature and humidity levels in your home.
